

2021 FOUNDATION FOR TULSA SCHOOLS
SPONSORS PACKET

Building a better community.

Help us support the teachers and students of Tulsa Public Schools.

2021

PARTNERS IN EDUCATION

Partners in Education connects over 250 businesses, faith-based groups and community organizations to the 75 individual schools of Tulsa Public Schools to meet ongoing financial needs, provide volunteers and help move the needle on academic goals.

In 2021, Partners in Education is launching **“Best in Class”**, a new initiative to create deeper engagement between business partners and schools throughout the district. Five schools will work to identify best practices and creative ideas to enhance their community partnerships.

In addition to supporting the Foundation help facilitate community partnerships, Partners in Education sponsorships support:

Explore Tulsa Field Trip Grants

Providing access to transportation funding for a field trip for every TPS teacher to apply.

Grants for Great Ideas Teacher Classroom Support

Providing every TPS teacher access to apply for a classroom grant up to \$500.

Teacher Supply Days

Making free school supplies and furniture available to all TPS teachers and school leaders.

Best in Class Grants

Five schools receive grants to participate in the inaugural Best in Class cohort to identify and implement best practice partnership activities.
