

The Foundation for Tulsa Schools remains focused on its mission to build a better community through the support of Tulsa Public Schools. We are disappointed a former TPS employee is alleged to have abused his position of trust by unlawfully diverting funds intended to benefit students and educators. We support the efforts of law enforcement officials to investigate and hold accountable any person responsible for misappropriating these funds.

We also support the actions taken by Tulsa Public Schools to address the situation and mitigate any impact to the students and programs our donors support. Let there be no doubt the Foundation for Tulsa Schools will continue to support the district, teachers, and students to make sure all have the necessary resources to succeed.
